Personal Statement /Autobiographical Sketch. Attach a statement of approximately 500 words; (not to exceed 3 typewritten, double spaced pages) which describes your strengths and weaknesses as a potential graduate student in the program you have chosen, as well as your motivation for entering that program. The statement should clearly indicate your understanding of the role, function and responsibilities of professionals in the degree program for which you are seeking admission. For example, applicants for the Master's degree in School Counseling should describe the role, function and responsibilities of a School Counselor. Your personal statement may also reference activities/employment in which you have been involved that make you a particularly good candidate for admission to this program. Remember, your personal statement is a very important part of your application. Proper use of grammar and correct spelling are expected and neatness counts!

Recommenders. Identify three (3) individuals to whom you will be sending the enclosed recommendation forms. It's important that one of these individuals be able to comment directly on your scholastic aptitude, including your ability to express yourself in writing at the graduate level (e.g., choose a professor from your undergraduate or graduate program).

It is best to advise each recommender the deadline by which all materials, including their letter, are due in the Graduate School.

Current Deadlines: **School Counseling: February 1 (for Summer and Fall admission)**
October 1 (for Spring admission)
School Psychology: January 15 (Summer and Fall admission; no Spring admission)
