**Professional Development  
Concentration:**

- Professional Development goals/courses must be approved by Program Director
- On-campus students may transfer up to 10 credits with Program Director approval
- On-line students are expected to complete all courses through UW-Stout
- On-line students are expected to complete the program with their cohort group

**Certification Concentration:**

- Students must comply with all teacher education assessment and certification requirements as specified by the School of Education (see [www.uwstout.edu/soe](http://www.uwstout.edu/soe)).
- Minimum of 12 certification credits must be completed at UW-Stout
- Students may transfer up to 10 to be applied to the MS Education degree with Program Director approval
- MS Education degree requires a minimum of 30 graduate credits, remaining certification requirements may be completed for undergraduate or graduate credit.
- In addition to the Certifications identified below, MS Education students who are already licensed teachers can complete the following add-on certification programs to fulfill the Certification Concentration. Each program is linked to the plan sheet.
