### Use of this form:

Submit the approval sheet with original signatures to the Provost's Office with each program proposal for CIC review. No copies of the approval sheet are required.

Each signature indicates approval at that level.

The program director is responsible for carrying the proposal through the necessary approval steps, providing necessary copies, and obtaining approval signatures as required.

Signatures are not required to indicate Curriculum and Instruction Committee, AAAT, Provost or Chancellor approval. Separate approval documents are provided for these steps by the Provost's Office.
